

County Commissioner's Special Meeting  
February 22, 2023

Lee Doolen called the meeting to order at 2:00 p.m. Commissioners Miller and Fine were also present.

BKL Engineer was present to discuss planning a new build for the OSU Extension Office at the Fairgrounds. It was also discussed to remodel and revitalize the Fair Building, and in so doing, give new space to the OSU Extension Office. The OSU Extension Office would rather have a new building that will allow room for them to grow. Doolen reported that we can't do what OSU is proposing right now. The money just isn't there. BKL proposed to do a feasibility study. The Commissioners asked BKL to provide an estimate on the study and a plan to remodel the Fair Building.

The Commissioners discussed the proposed jail expansion. Sheriff Dougherty suggested Option B of the proposed plan. Option B is \$4,180,000.00 and will include expansion of the jail into the DA office area, replacing all rooftop units and maintenance to existing jail. Fine made a motion to begin design process of Option B. Motion seconded by Miller. Doolen, Miller and Fine all voted aye.

Jenny Hammock of BKL will provide a list of Construction Managers for the County to choose from.

Miller made a motion to adjourn. Motion seconded by Fine. Doolen, Miller and Fine all voted aye.
